Laws

- The standard 20/20 international rules will apply under all circumstances.
- Umpires decision is final. No arguments will be entertained on this.
- No Ball: The front foot overstepping no ball penalty will be one run and an extra ball shall be bowled in the over. The preceding delivery will be a “free hit” wherein the batsmen cannot be dismissed except by being run out.
- The fielding captain is not allowed to change the position of his fielders except for the case that the batsmen have crossed during the front foot over stepping no ball delivery.
- Wide Ball: The wide ball penalty will be one run and an extra ball shall be bowled in the over.
- Timed Out: The incoming batsman must be in position to receive the next ball within 60 seconds of the fall of the previous wicket.
- Time Wasting Penalties: If the umpire considers the batsman to be un-necessarily wasting time, one warning will be given in an innings. The second time that the umpire deems a batsman wasting time, and for every subsequent instance thereafter, 6 runs shall be added to the total of the fielding side.
- Over rate: The team fielding will have to bowl 20 overs in 80 minutes after which a 10–minute mid - innings break will follow. In case the team does not complete the overs in the allotted time, penalty runs at the rate of 6 runs per over bowled short will be awarded to the batting team.
- All the players should possess valid ID Cards and produce the same along with the team declaration before the commencement of the match.
- If a team fails to report on time, a walkover will be awarded to the opponent team.
- Playing 11 will have to be chosen from a list of 15 players submitted along with the entry form and no changes in the squad of 15 members will be entertained later.
- In case of a tie or abandonment of a match due to rain or any other reason, the result of the match will be arrived at adopting the method in the 20/20 cricket, namely, SUPER OVER. At the end of a tied or abandoned match and before the Super Over, each team nominates three batsmen and a bowler. The team that scores the most runs in its Super Over is the winner of the match. If the scores in the Super Over are tied, the match is won by the team that has scored the most 6s in their innings.
- If a match except finals is abandoned without a ball being bowled, the winners will be declared as per the details given above.
- A match will be considered abandoned if either side has not batted for a minimum of 6 overs. The winners will be declared on the basis of “SUPER OVER”.
- If no play is possible, the winner will be decided on the basis of “toss of coin” in the knockout stages, whereas points will be shared in the league stages
- If the play is not possible in the finals on the scheduled day, the match will be rescheduled, the details of which will be intimated later. In an emergency, the organizing committee reserves the right to take decision without consulting the teams. No protest in this regard will be entertained.
