CMS, JAIN (Deemed-to-be University)

Center for Management Studies, Jain (Deemed-to-be University) is a top-notch educational institute that imparts learning in management and entrepreneurial studies, with passion. We are instrumental in the creation of intellectual capital—the entrepreneurs and pillars of India's prosperous future. We constantly innovate and set high standards of achievement.

HR Conclave

The HR Conclave aims to bring together India's influential thought leaders from various domains of the HR world to share their views on emerging trends that are shaping the future of Industry. The 2018 edition of the HR Conclave will provide an engaging and exciting platform for professionals, practitioners, academicians and students.

The world of work is rapidly changing. As a part of organization, Human Resource Management (HRM) must be prepared to deal with effects of changing world of work. For the HR people it means understanding the implications of globalization, work-force diversity, changing skill requirements, corporate downsizing, continuous improvement initiatives, re-engineering, the contingent work force, decentralized work sites and employee involvement for which all have the financial implication to organization. The pace of change is phenomenal and one can only imagine what the new world will look like.
