## TIPS FOR TRAVELLERS

### DO

- Make yourself aware of Customs, quarantine (Agriculture), wildlife, currency and duty/tax free regulations.
- Be aware that penalty for possession of drugs can result in heavy fine, imprisonment or even the death penalty in some countries.
- Ask one of our officers if you are in doubt about any articles over your duty/tax free allowance on the Incoming Passenger Card, which will be given to you just before arriving in UK.
- Pack goods to be declared so they are easy to access for Border Force examination. This helps speed up your clearance. Remember: if in doubt, ask one of our officers what you should declare.
- Arrange for sufficient medicines to meet your personal medical needs. Check with the embassy of the country you are visiting to ensure your medicine is legal in the countries you are travelling to. Obtain a doctor's letter stating who the medicines are for, what they are, the dosage, and leave medicines in their original packaging.

### DON'T

- Don't carry goods for other travellers. If you do and those goods are prohibited or restricted in that country, you will be held responsible.
- Don't provide false or misleading information. Penalties for false information (such as false receipts) are severe and may result in your goods being taken from you.
- Don't break the law in other countries. The power of the UK and Ireland Government is limited and you are subject to the laws of that country.
- Don't bring back pirated and counterfeit goods. Copyright piracy and trade mark counterfeiting are illegal. In some circumstances pirated and counterfeit goods imported into UK and Ireland can be taken away from you and you may be subject to civil litigation or criminal prosecution.
